

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Danny Eugene Downing**
Docket No. **276016**
L.C. No. **02-000402-FC**

William C. Whitbeck, Chief Judge, acting under MCR 7.201(B)(3), orders:

The motion for reconsideration is DENIED. Considering the fact that defendant was given notice on February 8, 2007, and March 9, 2007, and knew prior to the May 21, 2007 dismissal order that he needed to file an application that did not circumvent MCR 6.502(G)(1), there is no reason why at the very least that this motion for reconsideration did not include that proper application.
